Re: Freedom of Information Act Request - Strike of Colonial Pipeline Line 19 at the Metropolitan Nashville Airport on April 9, 2019

Dear Sir/Madam:

This letter is a request made both by me personally and on behalf of our client, Colonial Pipeline Company, under the Freedom of Information Act (5 U.S.C. § 552) with respect to a pipeline strike at the Metropolitan Nashville Airport on April 9, 2019.

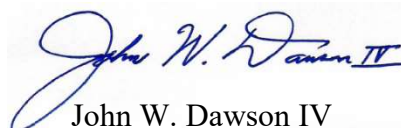

Please provide all records relating to or mentioning the strike on Colonial Pipeline Line 19 on April 9, 2019 (the "Line Strike"), and/or the release of gasoline from the Line Strike.

As used herein, "records" includes, without limitation, all communications, correspondence, notes (including field notes and notes of or related to meetings, telephone calls and conversations), memoranda, emails (including emails in "Trash," "Deleted," and other files and folders that are still accessible), submittals, reports and all other writings and documents, including electronic information, files and documents, that relate to the matters described above, and includes draft documents.

As used herein, "relate to" and "relating to" means referring to or otherwise related in any way, in whole or in part.

As used herein, "communications" includes (i) emails, correspondence, and notes (including notes and memoranda of or related to meetings, telephone calls and conversations), and (ii) is not limited to third parties and includes internal U.S. EPA communications and communications with other governmental agencies or entities.

Sincerely,

John W. Dawson IV
